Join us for RISE 2022 as we celebrate 145 years of service to the Tennessee Valley community and move forward on the future of our mission of “Empowering People and Building Communities”. Your attendance and support will help us continue to grow and expand the depth and scope of our programs and services.

RISE focuses upon how our community rises together to support our neighbors in need and helps tell the Partnership’s story and it’s impact to the community. The event will feature a distinguished speaker and serve as a platform for honoring distinguished community leaders and advocates who have stepped up and positively impacted our agency and our community.

About us:

The Partnership is a multi-site social service agency serving residents in the Tennessee Valley, an area which includes 21 counties in Tennessee and four counties in North Georgia. The agency’s service portfolio spans six centers of integrated services:

Victim Support Services
Family Stability Services
Youth Services
Elder Support Services
Deaf Services
Sustainability Services
